

Scoil Cholmáin, Tuairíní is a co-educational school with a teaching staff of six teachers and one special needs assistant.

Conveniently located five minutes from Moycullen village and just ten minutes from Galway city!

Ours is a happy school, providing a holistic learning environment that enables each child to reach his / her true potential.

Is scoil chomhoideachais le foireann teagaisc de sheisear múinteoirí agus cúntóir riachtanas speisialta amháin atá i Scoil Cholmáin, Tuairíní. Táimid bródúil go bhfuil traidisiún láidir Gaeilge againn inár Scoil agus ceangail láidir le clubanna agus eagraíochtaí áitiúla.

Accelerated Reader School

As a proud Accelerated Reader school we have an extensive school library with over 1,500 levelled books. Every child in our school is on an individualised reading programme with personalised reading goals.

STEM

To promote STEM within our school we use innovative learning programmes such as Six Bricks. The Teaching Council recently awarded us with a €2000 bursary for our Clever Classroom Design project.

Creative & Digital School

We are a film-making school. Our class iPads allow us to experiment with green screen and movie making technology. In 2019, we proudly screened one of our original movies, 'Aliens' in the Eye cinema as part of the first Junior Galway Film Festival.

Is scoil glas muid!

Sport

A strong tradition of sport in our school ensures all of our pupils can participate in a wide variety of activities. Our newly installed all weather pitch allows for sports such as hurling, football, soccer, olympic handball, tag rugby and unihoc. We facilitate visiting coaches and have close links with our local clubs.

GAIRDIN NA SCOILE & OUTDOOR CLASSROOM

Wellbeing is at the heart of our school ethos. We are proud to be a Friends for Life school.
